Dear Parents and Carers,

We are delighted to share with you the publication of our recent Ofsted report and to celebrate the many strengths it recognises across our school. This report is a wonderful reflection of the hard work, commitment and shared values of our pupils, staff and wider school community.

The inspectors spoke very highly of our children, noting that *"the school has high expectations for pupils to become positive citizens, who are confident to speak out in the world."* This is something we are incredibly proud of. Our pupils consistently demonstrate confidence, kindness and a strong sense of responsibility, and they should feel very proud of the way they represent our school each day.

The report also praises the dedication and expertise of our staff. Inspectors recognised that *"leaders and staff have created a well-designed curriculum. It is ambitious and carefully sequenced across Key Stages 1 and 2."* Staff are commended for the way they *"consistently promote the essential knowledge and skills of reading, writing and mathematics and use every opportunity for pupils to develop their understanding."* This acknowledgement reflects the care, thought and teamwork that underpin teaching and learning across the school.

Importantly, the report highlights the nurturing ethos at the heart of our community. Inspectors noted that *"staff place pupils' well-being at the centre of all the school does,"* and that *"every pupil's voice is valued here."* They also recognised that *"relationships between staff and pupils are respectful and considerate."* These comments capture what we strive for every day: a safe, caring environment where children feel listened to, supported and encouraged to be themselves.

We would like to thank our pupils for their positive attitudes and exemplary behaviour, our staff for their continued dedication and professionalism, and you, our parents and carers, for your ongoing support. This report celebrates what we achieve together, and we look forward to building on these strengths as we continue to provide the very best for our children.

Thank you for being part of our school community.

Yours sincerely,

G Richardson

(Head Teacher)
